Welcome customers and employees with these remarkable 21st century designs from Milliken Kex. Crisp, clean colors, unique design elements, and smooth color gradations, all help to bring this collection to life. State-of-the-art Millitron dye-injection technology is used to produce these truly unique designs. Just think of the impression you'll make as visitors are greeted at your door with one of our Millennium Welcome Mats.

Millennium Welcome Mats are available as a variety pack or as individual mats in 3'x4', 3'x5', and 4'x6' sizes.
